

Fraction Project with Pattern Blocks

There are only two requirements for this project:

- Your design must use all four shapes.
- Your design must "add up to" a total of twelve.

2 possible rubrics for grading projects:

- Is it neat? (30 points)
- Is it correct? (40 points)
- Is summary complete and correct? (30 points)

Neatness 1 2 3 4 5 x 5 = _____

Correct 1 2 3 4 5 x 10 = _____

Originality 1 2 3 4 5 x 5 = _____
